Lightning Kills Pahokee Girl On Palm Beach Road

Two Other Laborers Were Hospitalized With Injuries

Quiet of the town settling into a summer lethargy was broken Wednesday afternoon when a young woman, Miss Betty Jean Thompson, 17, of Pahokee was struck by lightning at approximately 2:45 while riding in the back of a truck near Hillsboro Plantation. She was reported dead on arrival at the office of Dr. R. L. Pipes.

Two other women, Miss Clara Jo Heaton, 17, and Mrs. Ila Jones, 35, were rushed to the Belle Glade Memorial Hospital where they were treated for minor injuries.

Approximately 17 laborers from Pahokee, Farm Labor Camp were in the truck when the lightning struck, working in the fields at Hillsboro Plantation.

When the thunder storm started, the workers pulled a tarpaulin over them for protection.

Miss Thompson is survived by her mother, Mrs. Louise Fertle; a sister, Mrs. Mary Alice Mills, Pahokee; and a brother, James Thompson, Pahokee.

The body will be sent to Opp, Ala., for funeral services in the New Hope Baptist Church there. She lies in state in the Berry Funeral Home, Pahokee, today.

Produce Shipment Shows Increase Over Last Year

Vegetable season draws to a close this week with records showing an increase of 438 tons over last year's total. This season totals include 2,247 by rail and 2,223 by truck (compiled from February 25).

Rail loadings for the week dropped from 228 last week to 152, and truck loads dropped from 223 to 152.

Pro. Dave Hunter urges all interested in the 1950 Homecoming-Belle Glade tournament on the local course to sign up and enter scores.

Women's golf schedule was postponed Monday with a tournament scheduled for Belle Glade on June 14. They also received the 1949-50 championship cup with Lake Worth playing school and West Palm Beach third. West Palm Beach also won the alternate cup.

Last Saturday night's dance was an enjoyable affair, with good music, and this same orchestra has been engaged for a return engagement a week from Saturday night, June 10, with dancing from 9 to 1 p.m.

Mrs. Lloyd Clanton and Mrs. D. G. Dixon will serve as potluck supper hostesses Sunday night, according to Mrs. Jack Thorne, potluck chairman. Mrs. Thorne reminds members to bring guests to Ladies' Day next Friday.

Three Came Back After Two Weeks Expedition To The Dominican Republic

Columbus landed on Santa Domingo in 1492 and then there was no more news of him until 1950 when three Glades adventurers—John Pickett, Johnny Tabi and Julius Harris—invaded the bookshelves.

These three Glades islanders divided into the Dominican Republic and the Republic of Haiti, between Cuba and Puerto Rico in the Caribbean, the three did a little discovering of their own.

They established headquarters at the Jaragué Hotel in Ciudad Trujillo, Dominican Republic, which proved to be a good base of operations for the three.

They were excited to find that the Dominican Republic was a beautiful country, with a pleasant climate, and a healthy product of the Glades!

As a result of a series of joint meetings held by the board of directors of Pioneer Growers Cooperative and the Belle Glade Farmers Cooperative, it has been decided that it will be advantageous to both Co-ops to consolidate their efforts in selling and marketing produce for their members, and also to consolidate their buying power for supplies, equipment, etc. It is hoped that all details can be worked out by July 1.

E. A. McCabe has accepted the position of sales manager. Other members of the sales force will be Jimmy Wilson and Guy Wood. Frank Dooley has been appointed general manager of operations.

A meeting of all members of both Co-ops will be called at a later date, at which time a temporary board of directors for the new firm will be elected.

Hill Receives Top Fri. Market Price

Top price at last Friday's Glades Livestock Market sale went to W. P. Hill for a medium grade Brahman steer weighing 1,205 pounds selling at \$23, and bringing a total of \$27,735.

Trade in stocker cattle, particularly feeders and stocker steers and heifers, was exceptionally active at the sale of May 25th at the Glades Livestock Market in Belle Glade. Of the total of 485 cattle sold, 57 percent were stockers including steers and stocker heifer calves, according to Ralph Kidder, representative of Florida State Marketing Bureau.

Medium short fed slaughter steers were scarce but those offered brought \$23.00 to \$25.25. Most of the steers offered for slaughter were in the common grade and brought a range in price of \$18.00 to \$24.00 with the bulk going at \$19.00 to \$21.50. Cutters and canners were scarce and sold at \$16.75 to \$19.50. The few slaughter heifers sold at \$16.00 to \$21.75.

Calves for 117 slaughter calves and weaners was good with about half of them in the medium grade selling at \$23.00 to \$27.50 with most of them (Continued on Page 4)

PICKETT ELECTED PRES.
WPA ENGINEERS SOCIETY

John T. Pickett, city engineer, was recently unanimously elected president of the West Palm Beach chapter of Florida Society of Professional Engineers, according to John P. Hanley, Jr., secretary-treasurer.

Pickett will have charge of all the chapter's activities in the Glades area extending westward to Ft. Myers.

ROSCOE DID ALRIGHT

Roscoe is an eight months old bull!

Roscoe became a subject of commerce in the Glades when his owner sold him to a cattleman for \$80, purely as a potential beef animal.

Roscoe's basic utility to the community enhanced when the first purchaser sold him to a more discerning member of the profession for \$125 the following day.

Roscoe's real importance to the Glades was magnified when he sold last Friday at the Belle Glade Cattle Auction Market for \$172.70 some three weeks after the original owner decided to sell.

Roscoe's weight was 785 pounds; quite a healthy product of the Glades!

Students Urged To Enroll In Summer Band Program

Director Howard Payne announces a Summer band program sponsored by the State and County will begin in Belle Glade June 15.

The program is designed to replace graduating band members and encourage new members.

Individual and group instruction will be offered and students may register for one or two months period.

For further information contact Mr. Howard Payne, phone 2820 or 2938 or write P.O. Box 217, Belle Glade.

Earwood To Have Art Exhibit Tues

An art exhibit of water colors, pastels, charcoal and tempera paintings and a variety of crafts by Mrs. Henry O. Earwood's art students will be highlighted with a tea Tuesday afternoon from 3 to 6 at the Country Club of the Everglades from 11 a.m. until 6 p.m., and the public is invited to attend.

Prize for the most representative painting of the exhibit will be presented by the Herald in addition to awards to be given by Mrs. Earwood. Out-of-town judges will make the presentations during the tea.

Work of the 20 students from Belle Glade, South Bay and Palmetto, including a wide variety of subjects shows a considerable margin of progress over that of last year, according to Mrs. Earwood.

During the year, several of the students' paintings have been entered in national and state exhibits. Allen Collins received an award of merit in the Scholastic Magazine Art Award Show in Miami for outstanding work in tempera.

Selected from the FEA School Art Show in Miami, paintings of Curtis Thompson, Jr., and Collins were sent to the Child Art Show sponsored by the Southeastern Art Association recently held in the Delgado Museum of Art in New Orleans.

A musical program also is scheduled on the afternoon program.

In honor of the seniors, class mothers gave a brunch in the Methodist Church Thursday morning. Carried out class colors of red and white, ferns and hibiscus were the table, and cap and gown placed on blue and gold, school colors.

Dorine Mathewson, president of the senior class, presented gifts to class sponsors, Miss Sara Dixon, Miss Joe Martin, Coach Doug Lawitt and Frank Hobson. She also thanked the senior mothers for the brunch in behalf of the class.

Class awards were presented at class night Thursday by Frank O. Hobson, principal. Program under the direction of Miss Jean Martin, was woven together by mistresses of ceremonies, Marlette Campbell and Beverly Groer, who introduced program features with music.

Shiloh Baptist Church Place of Commencement Program At 6:30 on Sunday evening, Miss Collier began to play the processional "God of Our Fathers" and a chorus of boys and girls started the line of march. They were followed by the minister, the speaker of the evening and a faculty member. Then Principal Murrell, who is also teacher of the sixth grade in the class of 4 boys and 6 girls.

As the finishing class proceeded down the aisle they brought back to many in attendance, memories of their elementary school days when they too were followed by white dresses, ankle socks and ribbon bows; white shirts, dark trousers and ties. Simplicity was evoked, yet impersonality dominated the entire affair.

The following program was presented: Song "America the Beautiful—Audience. Scripture, prayer—Rev. Wright Song "We Praise Thee Lord Jesus—School Chorus Reading—"Life's Mirror"—Roberta Hodge. Reading—"The House By The Side of The Road"—Eddie Manderville. Reading—"Where There's A Will, There's A Way"—James Howard. Introduction of Speaker—Principal Murrell. Address—Mr. Richard Jemmett. Spirit—"Old Ark's Memory"—"Hush! Somebody's Calling My Name"—School Chorus. Awarding of Certificates and Awards. Recessional.

Mr. Jemmett gave a very timely and thought provoking address on the subject, "The Future Belongs To The Child." He said, "The adults are responsible for the condition of the world today and that the young people are the recipients of this condition. They need the encouragement and help of the home, church, and school to guide and stimulate them so that they will have the courage to accept the right and reject the wrong and always strive for peace of mind." He admonished them to remember that "The soul determines the destiny of man."

Mr. Jemmett said that "the parents responsibility is that of making numerous sacrifices so that the child may have access to every available opportunity for his advancement. The church is to provide spiritual help, which is essential for the child to learn how to live with his fellow man and also with himself. The teachers' responsibility is that of transmitting the knowledge and training they have received to the child with the hope that the child's training will be a better prepared product than his instructor."

Certificates were awarded to those students in both the primary and intermediate departments who had perfect attendance records for the year. Some students in both departments were also awarded certificates of honor for good citizenship.

The following special awards were made to the finishing class: Regular Attendance and Satisfactory Progress Medal was given to Eddie Dean Hodges. Perfect Spelling Medal was awarded to Effie Manderville. Regular Attendance, Good Citizenship, and Scholastic Medal was awarded to James Howard.

We were happy and grateful to have many of our friends and fellow-workers in attendance at our Commencement. Thank you, come again and remember we too, will give you our support in all of your efforts and activities for the year will culminate on Friday, June 2, when we will have our annual school picnic.

Fifth Grade Presented Program
Most of the students knew that we were not going to have school on Tuesday, May 30, but they were not aware of the cause. This was made clear when the Fifth Grade under the direction of its sponsor, Miss Mamie T. Shannon, presented its last chapel program for the year. The program was held at the regular assembly hall, the theme centered around a special holiday, Memorial Day.

The first song that was sung was "America" followed with the reading of the scripture by Irving Taylor. The chant and prayer were given by the students and Mary Byrom respectively. After which, the Fifth Grade sang "Long, Long Ago" followed with a reading of the Lincoln's Gettysburg Address. Climaxing the program, the entire audience sang "The Star Spangled Banner."

Lois Williams beautifully outlined to the audience "Why we observe Memorial Day." She said, "most countries have one day in the year set apart for honoring the dead. That day in the United States is to keep alive the memories of those who have fallen for their country. But because it was started immediately after the Civil War, it has been devoted mostly to veterans of that war. In addition to those who fought in the Civil War, there are those soldiers of the Spanish-American and World War I and II to be remembered at this time."

Third Grade Presented Program
The third grade under their directress, Mrs. Eva P. Oliver presented an original play (an opera) entitled "Awakening of the Roses" which was composed of one act last Thursday evening at 6:30 p.m. It was enjoyed by everyone who was present.

Open House Observed
The Arts and Crafts and Mother's Clubs observed their annual "Open House," May 25

to 26 from 10:00 a.m. to 2:00 p.m. Many parents and friends complimented the school on the fine exhibits that were displayed in the clinic room. Many of the visitors were escorted to the various classrooms where they found the students at work in various subjects.

Some of the articles on display were: lace tablecloths, embroidery work, flowers on jelly jars to make drinking glasses, weaved baskets by the second grade, ear bobs and brooches made of shells, rug made by sixth grade girls, bed room slippers, playing records heated and molded into nice frank dishes stamped with flowers, poster paintings, a model of Lake Shore Elem. school by the fifth grade, pictures of activities of the school, dresses, scarfs, pocketbooks, hats and belts that were crocheted by the members of the Mother's Club of Lake Shore Elementary School. Over one hundred parents and friends visited us.

Refreshments were served in the Teachers' Lounge. The sponsors, Mrs. M. J. Addison, Mrs. M. J. Evans and Mrs. N. M. Singleton, wish to thank all of those who helped to make the affair a success.

THANKS
Mrs. Ora D. Lee, the writer of the weekly column, "Consumer's Problems," wishes to thank the many readers of her column for cooperation and the fine letters and kind expressions about the articles appearing since last fall.

Mrs. Lee leaves June 18 for Oxford, Ohio to do further study.

Water And Sewage Problems To Be Discussed At U Of Fla.

Water supply and sewage problems facing Florida's municipalities will be reviewed at an intensive short course at the University of Florida during the week beginning June 5, Dr. Wilson T. Sowder, State Health Officer, said today.

The eighteen annual short course and conference called by the State Board of Health as part of the health agency's official duty in checking on water supply, sewage and industrial waste disposal problems, and is staged in cooperation with the University, he added.

David B. Lee, director of the health board's Division of Sanitary Engineering, is general chairman of the education committee for the short course, which will last six days.

In a letter to Florida's mayors, city managers or superintendents of public utilities commissions, Dr. Sowder stated that "it is strongly recommended

that you detail your water and sewage plant operators to attend this conference. The benefits gained by your city through the attendance of such personnel as superintendents, owners or managers of municipal water and sewage plants, will more than offset costs to the city incurred in paying their expenses at this meeting."

Engineer Lee declared that this year's short course "is comprehensive, being designed both for large and small plant operators. The municipal personnel will engage in actual laboratory experience and receive detailed instructions. Five afternoons will be devoted to control procedures. Demonstrations and lectures on modern practices by experts in their respective fields will occupy morning sessions."

Further information concerning the short course may be obtained from G. M. Turner of the University of Florida General Extension Division at Gainesville.

Glades Students Awarded College Football Letters
Two Glades students, Billy Lee Leathers of Belle Glade, and Stokes Smith, Pahokee, received football letters at the annual Honors Day Program May 26 at Rollins College, Winter Park.

Awards were made to outstanding athletes in all sports and to the cheerleaders.

Mathematics is one of the oldest subjects taught in our schools today.

Church on June 6 at 8 o'clock in the evening according to announcement of Rev. R. F. Hallford, pastor.

Revival Closes

The Lake Harbor Baptist Church culminated a two week revival at a Home coming service at the church Sunday. Services were held in the morning and afternoon with a basket dinner at noon.

Ga. closed the revival services on Wednesday.

The morning service at Homecoming was conducted by the pastor, Rev. Sayers. Rev. R. F. Hallford, pastor of the South Bay Baptist Church was the speaker at the afternoon service. A baptismal service for Leo Johnson was held at 4 o'clock.

Mrs. E. R. Mackey presented the history of the church pointing out that the church was organized in 1841 with 10 charter members, Mr. and Mrs. J. E.

Yours - all Yours -

Here's where you come into your own.
For this roomy six-passenger Sedanet is the lowest-priced family-model Buick and the easiest to buy. But it has all the basic qualities that make every Buick a stand-out.

Unmistakable smartness, for instance, in its tapering fenders and money-saving Multi-Guard forefront.
A bonnet full of Fireball straight-eight power that spells thrills with real thrills. Matchless Buick ride compounded of coil springs on all four wheels, ride-steadying torque-tube, low-pressure tires and Safety-Ride rims.
You can even have Dynaflow Drive* if you like — the first non-shifting transmission in which oil does it all.

But here's the point:
It doesn't cost a cent — doesn't obligate you in any way — to check all this — to try this Buick out. All you have to do is ask — and your Buick dealer will sit you behind the wheel — let you put this traveler through its paces — show you precisely how little it will cost you to step up to a Buick.
You'll never know what you are missing until you try a Buick. Come in, won't you — right away?
